Continuation of Substance of Interview including description of the general nature of what was discussed: The Examiner indicated that the claims would be in condition for allowance if claim 1 was amended to clarify that the mammals to which the attenuated measles virus was administered has cancer. It was agreed that the claims would be amended such that the phrase - - having viable cancer cells therein- - would be inserted after the term "mammal" at the beginning of line 2 of claim 1, and that the amendment would be by way of Examiner's Amendment..
